Rep = Repeat

Cont = Continue

* = Repeat Instructions

Beg = Beginning

NOTES:

1. I have arranged this pattern into 2 sections. Section 1 being for the moon granny square and Section 2 for the sun granny square.

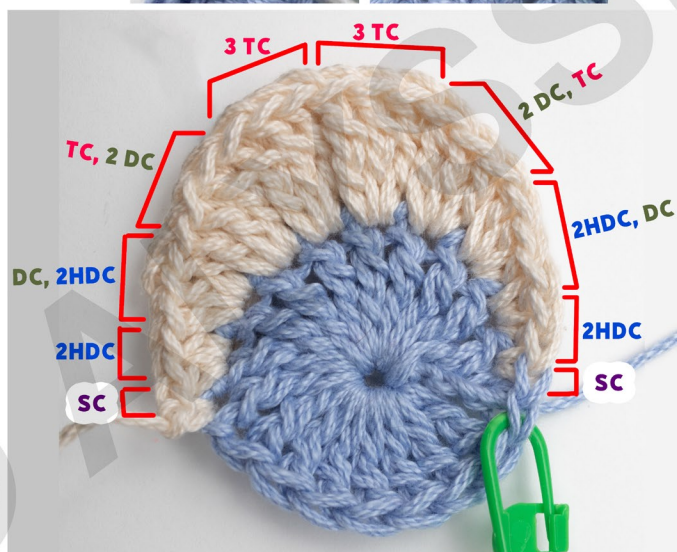

Section 1 - Moon Granny Square:

Round 1: Using Yarn A and a 4mm crochet hook, make magic circle (alternatively, ch 5, sl st to first ch). Ch 4 (acts as first tc) and work 17 tc into the centre of the circle (18 tc). Sc into the 4th ch of the first st and place st marker into sc. (18)

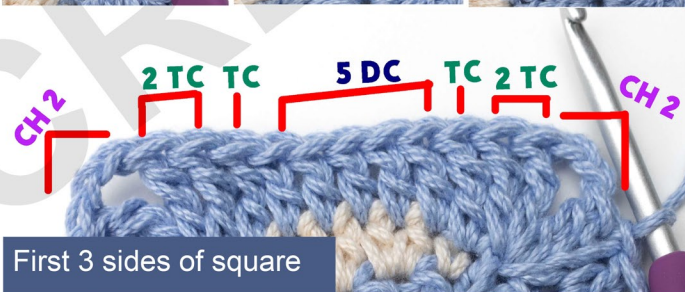

1. Make magic circle, ch 4 (first tc)
2. 17 tc into centre
3. Sc into top of first st and place st marker into sc. (18)

Round 2: With Yarn A still on hook, insert hook into next st, pull up loop of Yarn B and finish sc with Yarn B. Keep Yarn A still attached. With Yarn B, work the following in the next 9 sts; 2 hdc, (2 hdc, dc), (2 dc, tc), 3 tc, 3 tc, (tc, 2 dc), (dc, 2 hdc), 2 hdc, sc. FO Yarn B. (32 sts around)

Round 3: Pull up loop of the still attached Yarn A where st marker is, ch 3 (first st), (tc, ch 2, 2 tc) in that same st to form first corner. * Tc into next st, dc in the next 5 sts, tc in next st. (2 tc, ch 2, 2 tc) in next st to form corner. Rep from * 2 more times. Final corner should be in the last sc st of the moon. For the last side, dc in st after corner. Hdc in next 5 sts. Dc into last st, then sl st into top of first st to join. (44 sts around)

Round 4: Attach Yarn C by pulling loop through Yarn A loop, pull tails to tighten. FO Yarn A. Ch 3 (first dc). Dc into next st. * (2 dc, ch 2, 2 dc) in corner sp. 11 dc across until next corner sp. Rep from * until end of round. Round should end with 9 dc after last corner is made. Sl st into top of first st to join. FO. (15 dc on each side of square for total of 60 dc around)

1. Yo with Yarn C
2. Pull Yarn C loop through Yarn A loop.
3. Ch 3 (first dc), dc into next st.

Section 2 - Sun Granny Square:

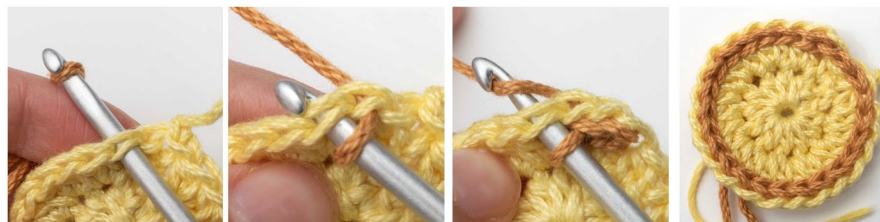

Round 1: With Yarn D, make a magic circle. Ch 2. Work 12 hdc into the circle. Sl st into first hdc (skipping over the ch 2 from beg of round). (12 hdc)

Round 2: Ch 2 (first hdc), work hdc into same st. 2 hdc into each st around. Sl st into 2nd ch of first st. FO. (24 hdc)

Round 3: Insert hook into any of the hdc sts around and pull up a loop of Yarn E. Hold end securely at back and sl st into next st. Cont to sl st into each st around. Once at beg, sl st back into first st, cut yarn and pull end up through loop. Secure end and pull end through to the back.

Round 4: Attach Yarn F to any hdc st from round 2. Ch 2, then dc into next st, ch 3. * Into next 2 sts, dc2tog, ch 3. Rep from * until end of round. Sl st to join. FO. (12 rays and 12 sps)

1. Attach Yarn F. Ch 2

2. Dc into next st.

3. Ch 3

4. Yo, insert hook into next st, pull up loop, yo, pull through 2 loops. (2 loops on hook)

5. Yo, insert hook into next st, pull up loop, yo, pull through 2 loops. (3 loops on hook)

6. Yo, pull through all 3 loops.

7. Ch 3. Rep steps 4-7 10 more times.

8. Sl st into top of first st (12). FO.

Round 5: Attach Yarn A into any sp around, ch 2 (first hdc). 2 more hdc into that sp. * In next sp, (3 dc, ch 2, 3 dc) to form corner. In next sp, 3 hdc, 3 more hdc in next sp. Rep from * until end of round. Sl st into top of first st to join. (48 sts around)

Round 6: Attach Yarn C by pulling loop through Yarn A loop, pull tails to tighten. FO Yarn A. Ch 3 (first dc), 5 dc until corner. * (2 dc, ch 2, 2 dc) in corner sp. Sk first st after corner and dc into each st until next corner sp (11 dc across - 15 dc including corners). Rep from * until end of round. Round should end with 5 dc after last corner is made. Sl st into top of first st to join. FO. (15 dc on each side of square for total of 60 dc around)

st you'll be working next dc into

Note: I skip the first st after each corner to make st count the same as the moon granny square.

ALL DONE!

I hope that you enjoyed making these granny squares - I would absolutely love to see the results :)

Thank you so much for your interest in this design!
